

Situated on a private quay between V&A Waterfront's harbor and an international yacht marina, the Cape Grace Hotel stands bold, with Table Mountain as an intimate backdrop. This elegant gem showcases these breath-taking Cape Town landmarks from all 121 luxury suites; in panoramic form. Celebrities from all over the world, including President Bill and Hillary Clinton, can attest to Cape Grace's majestic aura, both inside and out.

When Cape Grace was refashioned in 2008, iconic Cape Town interior designer, Kathi Weixelbaumer, affirmed that high end African individualistic artworks were a priority, for each and every suite. 'The interior ought to be as exotic and stunning as the exterior views,' she'd insisted.

The aim was to create a walk-in story book, depicting Cape Town's heritage and cultural diversity. As a result, no two of Cape Grace's suites are the same. Local artists were commissioned to illustrate various themes, ranging anywhere from Botanical Species, Settler Voyages to the Dutch East India Trade route.

All rooms and suites are crafted with hand-painted fabric, custom-made beadwork, tapestries, metals, glass and leather pieces.

Suite standard features include:

- Complimentary Wi-Fi and internet access
- iPod docking stations in all rooms
- Private room safe
- Flat-screen, high definition TV, satellite television channels.
- International plug points and fax / Internet modem lines
- Fully stocked private bar and deli
- Air-conditioned rooms.

The fine bedroom suite craftsmanship spills over to the foyers, corridors and dining halls. An air of grand artistic opulence resonates richly throughout Cape Town's signature hotel. There's an unmistakable 'international art gallery' feel when you stroll through the posh passages; readily pampered by friendly 24hr staff members.

The V&A Waterfront shopping mall is located just a short walking distance away, whilst all the city's major attractions are within a ten kilometer radius; including the beach.

A complimentary chauffeur service is made available for any guest who wishes to explore the city.

Inside the hotel is the famous award winning restaurant, Signal. Customers are treated to delicious fine cuisine with panoramic views of Signal Hill right at the waters' edge. Every dish is carefully considered to bring about a memorable Cape Heritage experience.

Mouthwatering dishes are available for all dietary restrictions or religious incarnations. Also available is the alluring Bascule, Wine, Cocktail and Whisky Bar, which overlooks a bustling Yatch Marina. With over 400 different single malts whisky and bourbon brands to choose from, the customer is spoiled for choice. The Bascule is the perfect setting to take in the sights and sounds of the busy Waterfront surrounds.

This unique bar boasts whiskies from Scotland, to the USA to Japan; and offers an extensive wine cellar – the Vinothèque. Wine connoisseurs and private collectors are invited to store their wines in private bins in the Vinothèque temperature and humidity-controlled cellar.

Voted 'Top Hotel Spa for Africa & the Middle East' in the Travel and Leisure 2014 World's Best Awards, the Spa is known for its relaxing face, body, hand and foot treatments; whilst using the latest anti-aging skin hydrating techniques to reverse the years.

Add a touch of romance and enjoy a couple's massage, enabling you both to have a relaxing spa treatment together.

Whether you're in the bar, restaurant, spar, swimming pool or bedrooms, Cape Grace never lets you forget that you're in the heart of something special; a beautiful and classic artistic museum in the heart of the mother city.

The Word 'Grace' was fitted in the title of the hotel as it speaks to *undeserved favour*. That is precisely the kind of service and experience you can expect at Cape Town's sublime Cape Grace Hotel.
